The purpose of The City Club of New York shall be to aid in securing permanent good government for the City of New York through the election and the appointment of honest and able municipal officers and the establishment of a clear and stable system of laws relating to the city. The Club declares its belief that the government of this city must be separated at all points from national party politics. The Club will not take any part in State or national politics, except so far as the interests of the City of New York may be involved in the election of the two branches of the State legislature, and the passage of State laws.

## SECTION II.
